Net Contents: 1 gallons
Weight Per Gallon: 9.5 lbs. (app)

General Information: Plant Agra 3-3-3 Fruiting is a fertilizer which contains extracts of fresh Ascophyllum nodosum Kelp for use on agronomic crops including but not limited to the following: Alfalfa, Corn, Cotton, Peanuts, Soybeans, Strawberries, Grapes, Stonefruit, Apples, Pears, Nutcrops, Citrus, Avocados, Tree Crops, Row Crops and Vegetables. Apply in foliar sprays or irrigation water as a complement to a well-balanced crop fertility program. It also contains Amino Acids and Kelp which assist in the translocation of plant nutrients. For specific crop recommendations contact your PCA or a Company Represe tative. Foliar fertilizer is intended to be used as a supplement to a regular fertilization program and will not, by itself provide all the nutrients normally required by agricultural crops.

Foliar Application: Add **Plant Agra 3-3-3 Fruiting** to fertilizer formulations or apply by itself at 4 to 32 ounces per acre.

Soil Applications: Add **Plant Agra 3-3-3 Fruiting** to starter or side dressing liquid fertilizer formulations to provide 2 to 8 ounces per acre. **Plant Agra 3-3-3 Fruiting** may be applied in seed furrows alone at 4 to 8 ounces per acre.

This product contains other protected technology known only to Two-Way Trading Co., Inc.

Information regarding the contents and levels of metals in this product is available on the internet at http://www.aapfco.org/metals.htm.

Use this product in accordance with good agronomic practices, which include utilizing proven spray equipment set for proper coverage. Do not make applications when temperatures are too hot. Applications should be made at temperature levels and when other environmental conditions in your area are such that your experience indicates the application will be compatible and will accomplish the desired result.

The use of this material being beyond our control and involving elements of risk, to human beings, animals and vegetation, we do not make any warranty, express or implied, as to the effects of such use, when this product is not used in accordance with the directions as stated on this label.
