Plant Agra KA60

Potassium Acetate Fertilizer Solution

Product Code: **55461**

GUARANTEED ANALYSIS

Potassium ……29.00%

Derived From: Potassium Acetate

CAUTION

This product contains potassium acetate and should only be used as directed

PRODUCT INFORMATION

Plant Agra KA60 is intended for agricultural use only. It can be applied alone or in combination with compatible agriculture chemicals, including fertilizers containing 100% orthophosphate.

DIRECTIONS FOR USE

Plant Agra KA60 is a clear liquid Potassium solution containing 29% potassium. Use 2-6 quarts per acre. Apply with starter fertilizer, foliar, sprinkler, or flood irrigation applications. KA60 should be diluted with water when used as a foliar application. Best results will be obtained following soil/tissue test results and consultation of local agronomist. Optimum application rate and timing will vary depending on local conditions.

Lot Number:
